LIFE LONG LEARNING COURSES OF SANT GADGEBABA AMRAVATI UNIVERSITY

Lifelong Learning and Extension Board has been provided under the Maharashtra University Act to fulfill the objective of creating skilled manpower in today's competitive era. The Department of Lifelong Learning and Extension working under this Board has been working towards the development of the backward elements of the society for the past few years. It is working to make the unemployed youth who have completed their degree and post-graduate education job-oriented and skilled through various and innovative courses. In order to help the students pass out of junior college and achieve economic advancement based on their own skills, the Department of Lifelong Learning and Extension is successfully conducting the course by creating various 33 types of skilled certificate courses for thousands of young people in the college in collaboration with many colleges and social service organizations, College has started three certification courses viz.

1. Soft Skill & Personality Development
2. Diploma in Medicinal Plants Propagation
3. Agriculture based & Entrepreneurship Production Industries
